3 and 4 bedroom villas in Torre de la Horadada This new project in Torre de la Horadada – this name because of the proximity to the sun and the beach. The villas have two designs . All villas have a roof terrace and a private garage with space for several cars under the house. When you enter Villa type 1, you will find the kitchen and dining area right in front of you. On the right you have the living room with large glass sliding doors out to the terrace and swimming pool. To the left you have a guest toilet and the stairs. Between the stairs and the toilet you have access to the large bedroom with en-suite bathroom and large walk-in closet. On the second floor there are 3 bedrooms, one of which has a private terrace and en suite bathroom. The other two bedrooms share a bathroom In the basement there is garage space for several cars. When you enter Villa type 2, you enter directly into the dining area, where you ca...
